

Fairway Parks & Recreation

Advertise at the Pool this Summer!

Last year, Splash Radio was a big hit at the Fairway Pool. Splash Radio serves as Fairway Pools very own, custom radio station!

A unique feature of this service allows Fairway Parks & Recreation to fill advertisement space with local businesses, offering them the opportunity to get their message out to a captive audience. Fairway has advertisement packages that will allow businesses of any size to purchase 30 advertisements that will air throughout the day. Don't have your own advertising production team? No worries, for a small additional cost, Splash Radio will produce the advertisement for you. Advertising packages will soon go on sale.

Contact the Parks & Recreation Department or visit www.fairwaykansas.org to learn more information about this exciting opportunity!

Construction Continues at Pool

With less than three months to go before opening day, crews are steadily progressing on work at the pool. In the next few weeks, the roof structures will be placed on the new building and the walls will be poured for the new zero-depth (beach) entry area.

Top Photo: A view from the east side of the pool looking west. From the left, you see the new snack bar and multipurpose room. The central breezeway entrance is flanked by the managers office and the lifeguard/first aid area. The bathrooms are on the far right and include two family changing rooms.

Right Photo: A view from the Northeast looking at the new zero depth area. The circular area will feature three mini-dumping buckets for the toddlers.

Register Online Today!
